

David Chen

Seattle, WA | 206-555-0147 | david.chen@example.com | <https://www.linkedin.com/in/davidchen>

Objective

Seeking a data analyst internship where I can apply statistical modeling and SQL skills to real business problems.

Education

University of Washington, Seattle, WA

Sep 2023 – Jun 2027

Bachelor of Science, Informatics – Data Science track

GPA 3.6 · Honors: Dean's List (Fall 2024, Spring 2025)

Experience

Boeing, Everett, WA

June 2025 – September 2025

Data Analytics Intern

- Built Tableau dashboards tracking 14 supply-chain KPIs for a 200-person manufacturing organization, replacing a weekly manual report and saving roughly six analyst hours per week
- Automated data validation with Python and pandas, catching 3 upstream schema changes before they reached production reports

UW Information School

Jan 2024 – Present

Undergraduate Research Assistant

- Cleaned and labeled 40,000 social media posts for a misinformation study under Dr. A. Patel.
- Co-authored a poster accepted to the 2025 iConference.

Starbucks, Seattle, WA

2022 – 2023

Barista

- Trained 5 new hires; recognized as Partner of the Quarter.

Projects

Seattle Housing Price Model

- Trained gradient-boosted regression on 90K King County listings; RMSE 8% below the Zillow baseline.
- Published an interactive Streamlit app used by 300+ visitors.

Campus Bike Share Analysis (Python, SQL)

- Identified 3 underserved dock locations from 1.1M trip records; proposal adopted by campus transportation.

Skills

Python (pandas, scikit-learn), SQL, R, Tableau, Excel, Git, Statistics, A/B testing, Data visualization

Volunteer Experience

Food Lifeline – Warehouse Volunteer, Seattle, WA, 2023 – Present

Code.org – Hour of Code Facilitator, Dec 2024
